Education

- Ph.D. in Psychology.** 2009 – 2013.
University of Newcastle, Australia.
Advisors: Prof. Scott Brown, Prof. Andrew Heathcote.
- Bachelor of Psychology (Hons. Class 1, Faculty Medal).** 2004 – 2008.
University of Newcastle, Australia.
Advisor: Prof. Deborah Hodgson.

Employment

- Australian Research Council (ARC) Discovery Early Career Researcher Award (DECRA) Fellow.** January 2017 – present.
School of Psychology, University of Newcastle, Australia.
- Postdoctoral Research Associate.** August 2014 – November 2016.
Amsterdam Brain and Cognition Center, University of Amsterdam, The Netherlands.
Advisor: Prof. Birte Forstmann.
- Postdoctoral Research Associate.** January 2013 – June 2014.
School of Psychology, University of New South Wales, Australia.
Advisors: Prof. Brett Hayes, Prof. Ben Newell.
- Research Assistant.** 2011 – 2013.
Newcastle Law School, University of Newcastle, Australia.
Advisor: Prof. Ted Wright.
- Teaching Assistant.** 2006 – 2012.
Development of teaching materials, casual lecturer, tutor and examination marker.
School of Mathematical and Physical Sciences, University of Newcastle.

School of Psychology, University of Newcastle, Australia.

Research Assistant.

2007 – 2008.

Laboratory of Neuroimmunology, University of Newcastle, Australia.

Advisor: Prof. Deborah Hodgson.

Achievements and Awards

- 2017.** Australian Research Council Discovery Early Career Researcher Award.
Vice-Chancellor's Award for Early Career Research and Innovation Excellence, University of Newcastle.
Faculty of Science Award for Early Career Research and Innovation Excellence, University of Newcastle.
Fellow, Psychonomic Society.
- 2015.** Amsterdam Brain and Cognition Center (ABC) funding to host a one-day symposium on model-based neuroscience of mind wandering.
- 2014.** Early Career Researcher Visiting Fellowship, University of Newcastle.
- 2013.** Psychonomic Society award for best paper published in *Behavior Research Methods*: "Gamelike features might not improve data".
- 2012.** Society for Mathematical Psychology travel award, Columbus, OH.
- 2011.** Faculty Award for Outstanding Postgraduate (Research) Student Achievement, Faculty of Science and Information Technology (FSCIT), University of Newcastle.
Research Higher Degree Conference Scholarship, FSCIT, University of Newcastle.
- 2010.** Society for Mathematical Psychology travel award, Portland, OR.
Australasian Mathematical Psychology Conference student travel award.
Best Platform Presentation CBMHR Postgraduate Conference, University of Newcastle.
- 2009.** Australian Postgraduate Award (~\$65,000 over 3 years).
- 2008.** Faculty Medal, FSCIT, University of Newcastle.
Provisional University of Newcastle Postgraduate Research Scholarship, University of Newcastle.
Deputy Vice-Chancellor (Research) Honours Scholarship, University of Newcastle.
- 2007.** Ivinskis Memorial Award, School of Psychology, University of Newcastle.

Grants

- 2018 – 2020. **Hawkins, G.**, Brown, S. *The value of time during decisions*. Australian Research Council (ARC) Discovery Project. \$327,019.
- 2018 – 2019. **Hawkins, G.**, Kalokerinos, E., Brown, S., Eidels, A. *Smart choices for smart Newcastle transportation*. Smart Moves Newcastle, NSW. \$67,316.
- 2017 – 2019. **Hawkins, G.** *Cognitive models of mental architectures in consumer preference*. ARC Discovery Early Career Researcher Award (DECRA). \$365,000.
- 2017 – 2019. Karayanidis, F., Forstmann, B., Steyvers, M., Jamadar, S., **Hawkins, G.**, Lenroot, R., Michie, P. *Modelling trajectories of cognitive control in adolescents and young adults*. ARC Discovery Project. \$492,500. [Hawkins withdrew from his role as Partner Investigator in the project.]
2017. Forstmann, B. Matzke, D., Noppeney, U., Heathcote, A., Turner, B., de Hollander, G., & **Hawkins, G.** *Model-based cognitive neuroscience summer school*. [Summer School]. William K. and Katherine W. Estes Fund, on behalf of the Psychonomic Society & the Association for Psychological Science, USA. US\$15,000.
2016. Heathcote, A., Brown, S. D., Turner, B., Matzke, D., **Hawkins, G.**, Bushmakin, M., & Howard, M. *Bayesian estimation of evidence accumulation architectures in neuroscience and cognition*. [Summer School]. William K. and Katherine W. Estes Fund, on behalf of the Psychonomic Society & the Association for Psychological Science, USA. ~US\$15,000.
2015. Forstmann, B., van Maanen, L., Neumann, J., **Hawkins, G.**, & Ratcliff, R. *Model-based cognitive neuroscience*. [Summer School]. Volkswagenstiftung, Germany [Volkswagen Foundation]. € 14,600.

Presentations

Invited Talks

2018. Measuring attitudes and preferences. Jocelyn Wale Seminar Series, School of Psychology, James Cook University, Townsville, Australia.

Measuring preferences. Presented to the Respiratory Medicine Research Group, Hunter Medical Research Institute, Newcastle, Australia.

2017. Measuring attitudes and preferences. Presented separately to the Cognitive Research Group and the Health and Clinical Psychology Research Group, University of Newcastle, Australia.

2016. Speaker in the symposium “Cognitive modeling of memory and decision making”. 58th Conference of Experimental Psychologists, Heidelberg, Germany.

Speaker in “Mind wandering symposium”. University of Amsterdam, The Netherlands.

2015. Using cognitive models and neural data to understand mind wandering. Cognitive Neuroscience Research Group Colloquium, University of Tromsø, Norway.

Speaker in the symposium “Neural correlates of cognitive models”. International Conference on Cognitive Modeling, Groningen, The Netherlands.

Speaker and Chair, together with Leendert van Maanen, in the symposium “The neuroscience of perceptual decision-making”. Dutch Neuroscience Meeting, Lunteren, The Netherlands.

2014. Measuring attitudes and preferences. School of Psychology Colloquium, University of New South Wales, Australia.

Professional Experience

Teaching

- 2019.** Postdoc advisor to Dr Robert Taylor, PhD primary supervisor to Jon-Paul Cavallaro, Gavin Cooper and Thomas Narraway, Honours supervisor to Taylah Browne and Jake Asara.
- 2018.** PhD primary supervisor to Jon-Paul Cavallaro and Gavin Cooper, Honours supervisor to Raine (Pei Yi) Chiam and Keelin Garry.
- 2017.** Honours supervisor to Kellie Snelson, Kurt Lancaster and Nicholas Marriott.
 Guest Lecturer, Advanced Research Methods and Statistics in Psychology (BPsych Program, 3rd Year), University of Newcastle.
- 2016.** Co-assessor to Dimitris Katsimpokis (Master), Wikke van der Putten (Master), University of Amsterdam.
- 2015 – 2016.** Guest Lecturer, Mind-Blowing Humanities: Arts, Reasoning, and Computations (Research Master course), University of Amsterdam.
- 2015.** Supervisor to Jacqueline Zadelaar (Master), Wibout van Woerkom (Bachelor), Co-assessor to Suzanna van Baardewijk (Master), University of Amsterdam.
- 2014 – 2015.** Lecturer, Introduction to Neuroscientific Methods and Brain Anatomy (Research Master course), University of Amsterdam.

2009 – 2012. Casual lecturer and conducting computer laboratories and tutorials for undergraduate courses in the School of Mathematical and Physical Sciences and School of Psychology, University of Newcastle:

Advanced Research Methods and Statistics in Psychology
Applied Statistics and Research Methods (Specialist Science Course, 2nd Year)
Statistics for the Sciences (Generalist Science Course, 1st Year)
Introduction to Psychology I (BPsych Program, 1st Year)

2008 – 2012. Undergraduate examination marking, School of Psychology, University of Newcastle:

Advanced Research Methods and Statistics in Psychology
Foundations of Psychology for Health Professionals (Allied Health Programs, 2nd Year)

2006. Course Development, School of Psychology, University of Newcastle:

Advanced Cognitive Psychology (BPsych Program, 3rd Year)

Workshops and Conferences

2017–2019. As a member of the Early Career Researcher Committee of the Priority Research Centre for Brain and Mental Health Research (PRCBMHR), organised and conducted the PRCBMHR Annual Postgraduate Conference. Hunter Medical Research Institute, Newcastle, NSW.

2016. Together with Birte Forstmann and Gilles de Hollander, conducted two-day workshop “Introduction to model-based neuroscience of decision-making”. Université Libre de Bruxelles, Belgium.

Together with Birte Forstmann and Leendert van Maanen, conducted five-day workshop “Model-Based Neuroscience Summer School”. Introduction to cognitive modeling using diffusion and accumulator models and simple neuroscience methods. University of Amsterdam, The Netherlands.

Together with Birte Forstmann, conducted one-day meeting “Mind Wandering Symposium”. University of Amsterdam, The Netherlands.

2015. Conducted workshop “Using sequential sampling models to fit behaviour”, presented as part of a five-day Summer school on “Neurocomputational Approaches to Decision Making: From Perception to Social Cognition”. Practical introduction to the study of decision-making using diffusion and accumulator models. Donders Institute for Brain, Cognition and Behaviour, Radboud University, The Netherlands.

Together with Birte Forstmann, Leendert van Maanen and Jane Neumann, conducted five-day workshop “Model-Based Neuroscience Summer School”. Introduction to cognitive modeling using diffusion and accumulator models and simple neuroscience methods. University of Amsterdam, The Netherlands.

2014. Together with Scott Brown, Andrew Heathcote, Peter Cassey and Don van Ravenzwaaij, conducted three-day workshop “Linear Ballistic Accumulator Summer School”. Introduction to modelling response time data with the LBA model. University of Newcastle, Australia

Together with Chris Donkin and Don van Ravenzwaaij, organised and conducted the one-day workshop “Bayesian workshop on MCMC sampling and parameter estimation”. Introduction to Bayesian parameter estimation in WinBUGS and JAGS for faculty and graduate students. University of New South Wales, Australia.

2013. “A primer in R”. Introduction to the R statistical environment for graduate students. University of New South Wales, Australia.

Reviewing Activity

Ad hoc reviewer for *Behavior Research Methods*, *Biological Psychology*, *Brain & Cognition*, *Brain Research*, *British Journal of Mathematical and Statistical Psychology*, *Cerebral Cortex*, *Cognition*, *Cognitive Psychology*, *Cognitive Research: Principles and Implications*, *Computational Brain & Behavior*, *Consciousness and Cognition*, *Decision*, *Emotion*, *Journal of Cognitive Enhancement*, *Journal of Cognitive Neuroscience*, *Journal of Cognitive Psychology*, *Journal of Experimental Psychology: Applied*, *Journal of Experimental Psychology: General*, *Journal of Experimental Psychology: Human Perception & Performance*, *Journal of Experimental Psychology: Learning, Memory, & Cognition*, *Journal of Neuroscience*, *Memory & Cognition*, *PLoS Computational Biology*, *PLoS One*, *Psychonomic Bulletin & Review*, *Quarterly Journal of Experimental Psychology*, *Transportmetrica A: Transport Science*, *The Quantitative Methods for Psychology*, *Wiley Interdisciplinary Reviews: Cognitive Science*, *Academic Press/Elsevier Acquisitions*, *Annual Meeting of the Cognitive Science Society*, *Australian Research Council*, *National Science Foundation (USA)*, and *Swiss National Science Foundation*.
